

ABSENCE DECLARATION

Date: 11 April 2020
Subject: Absence declaration for substances of animal origin and/or latex
Version: v 1.0
Product reference: HDglass
Type of product: 3D printing filaments

To the best of our knowledge, following substances are not intentionally used or added in the production. This does not exclude the presence of negligibly slight traces due to, amongst others, impurities in the components supplied by external parties and used in the production of such components.

- Substances of animal origin
- Latex

However, please note that the absence has not been checked by tests in the final product. This statement of compliance is established on the base of our existing knowledge. It replaces all previous compliance statements relating to the subject. This statement is valid until further revision. This information is valid for the material as it leaves the FormFutura facility and does not include any additives, pigments etc. subsequently used or added by the buyer or a third party.
